Perimeter bleed line. Artwork should extend to at least this line.

The area inbetween the bleed line and visible artwork line should only be used as a quiet area for backgrounds.

Visible artwork line. Any important artwork content should be kept well within this line.

Please leave the Guide layer intact and visible in your print-ready file.

This template is setup at 25% scale of full size.

Artwork should be supplied:

• With fonts outlined
• As PDF (preferred), AI or EPS
